

WISCONSIN
PARKINSON
ASSOCIATION

Volunteer Program Application

Thank you for your interest in becoming a WPA Volunteer! We want to assure the WPA Volunteer Program is rewarding for our volunteers, so listed below are some categories for you to review related to your interests. Once you return the interest sheet, we can start directing our calls according to your preferences for volunteering.

I would love to speak with you personally once you have reviewed and returned the information to learn more about your unique skills, and discuss other ways you feel Wisconsin Parkinson Association can partner with you to help provide more resources and support for the Parkinson disease community overall. Please contact Laurie at 414-386-2305 or lauriec@wiparkinson.org with any questions.

Please list any skills you feel you would like to share in volunteering (e.g., exercise instruction, teaching, group facilitation, administrative, musical, pet therapy certified dog, etc.):

Please check all that you may be interested in:

Facilitating a Support Group or, if qualified, an exercise group

Hosting a support group. Help a Facilitator in your area with class preparation such as nametags, refreshments, greeting, passing out supplies, etc.

Assist at exercise classes. Help as a spotter for class members, or help with setup, equipment rotations throughout class, or general assistance.

WPA Program Preparation. Help our staff prepare by stuffing bags, helping with nametags, correspondence, packet preparation, etc.

WPA Program Participation. Registration help on the day of the program, help with setup, take down, etc.

Caregiver Committee. Develop programs to help caregivers who are caring for loved ones based on their needs and concerns and help coordinate a survey for caregivers. This new committee currently meets every other month for an hour.

Share your story. Work with staff to share your PD journey or a PD related subject in which you are interested.

Phone Reception. Answer and direct calls as needed for 5-10 hours weekly at our office in Brookfield.

Anything else you would like to share with us?
